Numb. 10133.

The London Gazette.

Published by Authority.

From Saturday Auguſt 22, to Tueſday Auguſt 25, 1761.

Magdebourg, Auguſt 15.

THE lateſt Letters from Sileſia mention, that the King of Pruſſia had his Head Quarters at Strehlen on the 8th: That a conſiderable Body of Ruſſians had got before Breſlau, and had begun to throw ſome Haubitzers into that Town, with an Intention to ſet the Magazines on Fire, but that Lieutenant General Tauſein, Commandant of Breſlau, having been joined by a Body of Troops, which Major General Knoblock led to his Aſſiſtance, marched out of Breſlau, and forced the Ruſſians to retire from their Batteries, and to decamp from before the Place with a conſiderable Loſs on their Side. General Czernichew, with the the Ruſſian Van Guard, was then at Wohlau, and the Coſſacks and Light Troops paſs the Oder, (which, by the Dryneſs of the Seaſon, is at preſent very low) and ravage the Country on the Side of Jauer.

The Ruſſian Fleet, conſiſting of Thirty-one Sail, has, ſince the 3d of Auguſt, been employed in debarking the Artillery and Troops at Rugenwalde; but to the 11th Inſtant that Fleet had not appeared in Force before Colberg. General Romanzow was then preparing to begin his Operations againſt that Forteſs. In Saxony the Ruſſian and Auſtrian Armies continue to remain in their reſpective Poſitions, without any Alteration.

Brunſwick, Auguſt 18. We have received here the following Account of the late Succeſſes of General Luckner and Colonel Freytag againſt the Enemy.

Mackenſen, Auguſt 15. General Luckner being arrived the 14th with his Corps on the Heights near Daſſel, detached his Regiment towards the Enemy's Right Wing; and Colonel Freytag, with all the Light Horſe, towards their Left Wing, to take them directly in Flank. As ſoon as the Enemy perceived us, they drew back all their Forces from Daſſel, and that Neighbourhood, towards the Foreſt of Solling, and detached a large Body of Horſe and Foot to the High Road that leads to Eimbeck. This Body was inſtantly attacked, and totally routed, by General Luckner's Huſſars, and between 3 and 400 taken Priſoners, moſt of them Cuiraſſiers: All that could not eſcape by Flight, were cut to Pieces.

During this Tranſaction, General Luckner in Perſon attacked in Front, with the Regular and Light Infantry, the Enemy, who were in Order of Battle. The Enemy, after having ſtood Luckner's Cannonading, and perceiving our Infantry advancing upon them in Front, retired in tolerable good Order towards the Foreſt of Solling. In the mean Time, Colonel Freytag was engaged with the Light Horſe, and endeavoured to take the Enemy in the Rear, who did not think proper to wait for this Attack, but diſperſed themſelves with great Rapidity in the Foreſt, whither General Luckner is gone after them. Our Loſs is very ſmall. The Brunſwick Chaſſeurs have only 4 Men and 3 Horſes wounded, and none killed. Among the Priſoners taken from the Enemy, are one Colonel, and two Majors. This Action was on the 14th. This Morning, the 15th, we hear a very briſk Firing towards Hoxter.

Some of the Runaways of the Enemy paſſing through a ſmall Village of the County of Hildeſheim, called Alfeldt, where were ſome of the Hunters Baggage, plundered and carried off Part of it.

Schoningen, Auguſt 16. On the 15th, at Eight o'Clock, the Brunſwick Hunters marched. General Luckner's Corps rendezvouſed about Daſſel. Capt. de Campen was ſent to obſerve Hoxter. Our March was towards Uſlar, where we arrived at Four. As ſoon as our Huſſars and Hunters ſhewed themſelves on the Riſing Ground near Wohle, and were turning about to attack the Enemy, they retreated by Allerſhagen to the High Mountain called the Sonnenberg, which is the Poſt they intended to have taken before our Arrival. The Heavy Horſe could not advance faſt enough to overtake the Enemy. Some Cannon arrived, and when they began to play, we ſoon diſlodged the Enemy from this advantageous Poſt. They retreated with ſo great Precipitation, that the Light Horſe were not able to get up with them. However, they purſued the Enemy in ſuch a Manner, that they were forced to retreat into the Solling on a full Gallop. Lieutenant Colonel de Stockhauſen had before poſted himſelf in the Solling with his Hunters and Cannon, having entered it by a Detour. He attacked the Enemy's Infantry, which was purſued by the Brunſwick Huſſars, and defeated. We have taken two Pair of Colours of the Regiment of Jenner. Beſides which, we have above 30 Officers Priſoners, and upwards of 400 Men. We have alſo taken from them 400 Horſes.

The Brunſwick Huſſars have taken, 1 Brigadier, Jenner, 11 Captains, 22 Subaltern Officers, and 250 Soldiers, Swiſs, Dragoons, and Huſſars, with 1 Pair of Colours, beſides 65 Horſes.

Night coming on, put an End to the Fight.

It is not certainly known which Way M. Belſunce has made his Retreat with the Remains of his Corps.

Hague, Auguſt 21. We hear that all the French Houſehold Troops have repaſſed the Rhine, and are actually cantoned upon the Left Bank of that River, and in the Dutchy of Cleves; and that they have ſuffered very much from Want and Sickneſs. The Prince of Soubize, with the Remainder of his Army, was encamped between Dulmen and Applebaum, and General Kielmanſegge with his Corps near Munſter.

Letters of the 17th Inſtant, from the Allied Army at Reilenkirchen, take Notice, that Marſhal Broglio had endeavoured to gain that Camp, but had been prevented by Prince Ferdinand, and obliged to take Poſt much farther back upon the Heights of Neim, oppoſite to thoſe which were occupied by his Serene Highneſs. We have alſo an Account, that General Luckner had taken Priſoners, on the Right of the Weſer, the ſecond Battalion of Jenner's Regiment of Swiſs, with their Officers and Colours.

Admiralty Office, Auguſt 25.

His Majeſty's Ship the Aquilon, commanded by Captain Chaloner Ogle, being on a Cruize, fell in the 7th Inſtant, 250 Leagues to the Weſtward of Cape Finiſterre, with the Subtile, a French Frigate belonging to the Eaſt India Company, of 16 Guns, and 84 Men, from Iſle Maurice, which he took, and has brought her into Plymouth.

Aſſurance Office Serjeants Inn, Fleet Street,
Auguſt 25, 1761.

The Corporation of the Amicable Society for a Perpetual Aſſurance Office do hereby give Notice, that at Old Midſummer Day laſt there were in Arrear Five Quarterly Payments due to the ſaid Society on each of the ſeveral Policies numbered as follows, viz.
